WHERE THE MONEY GOES

Every dollar of profit from the wine goes to a local Vermont charity — and you choose which one. Your ticket is also your ballot; the count closes when the festival does.

Run entirely by volunteers. "Profit" means what is left from wine sales after the wine and the cost of serving it are paid for, and we publish the figure afterwards.

TICKETS

\$20 Early bird — through Oct. 4, or the first 100 tickets

\$30 Regular — online, up to the day
